[차 례]

■ 조사응답자의 일반적 특성 .......................................................................................... 416

■ 조사결과 분석
  I) 인구·주택 ............................................................................................................. 417
    1. 이사 계획 ............................................................................................................. 417
    1-1. 이사예정 지역 ..................................................................................................... 418
    1-2. 이사계획 이유 ..................................................................................................... 419
    2. 주택점유 형태 ..................................................................................................... 420
    3. 주택자금 유형 ..................................................................................................... 421
    4. 주택선택 시 고려사항 ........................................................................................... 422
    5. 결혼 적정시기 ....................................................................................................... 423
    6. 이상적인 자녀 수 ................................................................................................... 424
    7. 재출산 원인 .......................................................................................................... 425
    8. 효율적 출산지원정책 ........................................................................................... 426
    9. 국제결혼 .............................................................................................................. 427
  
  II) 소득·소비 .............................................................................................................. 428
    1. 평균 생활비 ......................................................................................................... 428
    2. 평균 교육비 ......................................................................................................... 429
    3. 수입 대비 지출만족도 ........................................................................................... 430
    4. 장래 가구소득에 대한 전망 ............................................................................... 430
    5. 재산중식 방법 ....................................................................................................... 432
    6. 가족 평균 외식횟수 ............................................................................................. 433
    7. 외식 메뉴 .............................................................................................................. 434
    8. 적정 외식비용 ....................................................................................................... 435
    9-1. 농수산물·식품 주 구매 장소 ............................................................................ 436
    9-2. 의류·신발 주 구매 장소 ................................................................................ 437
    9-3. 주방용품 주 구매 장소 ................................................................................... 438
    9-4. 전자제품(통신기기) 주 구매 장소 ................................................................. 439
Ⅲ) 정보·통신 ............................................................. 442
  1. 컴퓨터 보유대수 .................................................. 442
  2-1. 인터넷 이용 장소 - 1순위 .................................. 443
  2-2. 인터넷 이용 장소 - 1·2·3순위 종합 ......................... 444
  3. 회망하는 정보화 교육 - 다중용담 ........................... 445
  4. 평균 통신비용 ................................................... 446

Ⅳ) 사회·복지 ............................................................. 447
  1. 봉사활동 참여본부 ................................................ 447
  2. 사회복지 필요 계층 ............................................... 448
  3. 설기 좋은 도시만들기 방안 .................................... 449
  4. 최우선 추진할 행정분야 ....................................... 450
  5. 읍산의 자랑거리 ................................................ 451
  6. 최근 개선된 지역여건 .......................................... 452
  7. 사회복지 수준 ................................................... 453
  8-1. 생활환경 만족도-도로 등 대중교통시설 ................. 454
  8-2. 생활환경 만족도-학교도서관 등 교육시설 ............... 455
  8-3. 생활환경 만족도-병원 등 의료보건시설 .................. 456
  8-4. 생활환경 만족도-체육관, 공연장 등 문화시설 .......... 457
  8-5. 생활환경 만족도-공원, 휴양지 등 보건·여가시설 ....... 458
  8-6. 생활환경 만족도-은행, 보험회사 등 금융시설 .......... 459
  8-7. 생활환경 만족도-상하수도, 전기 등 생활시설 .......... 460
  8-8. 생활환경 만족도-행정, 범죄 등 공공서비스시설 ......... 461
  8-9. 생활환경 만족도-박화점, 시장 등 유통시설 ............. 462
  8-10. 생활환경 만족도-물, 공기 등 자연환경 ................. 463
  9. 여성복지 증진 추진분야 ....................................... 464
  10. 공공도서관 만족도 ............................................. 465
  11. 야간 주차장소 ................................................... 466
Ⅴ) 안전 · 공안 ................................................................. 467
   1. 치안기판 중점 추진분야 ................................................. 467
   2-1. 범죄피해 두려움-절도-사기 .............................................. 468
   2-2. 범죄피해 두려움-폭행-상해 .............................................. 469
   2-3. 범죄피해 두려움-강도 .................................................. 470
   2-4. 범죄피해 두려움-사회적-성폭력 ........................................ 471
   2-5. 범죄피해 두려움-유괴-남치 .............................................. 472
   3. 사회불안 요인 ............................................................ 473

Ⅵ) 보건 · 환경 ................................................................. 474
   1-1. 건강관리-이질식사하기 ................................................. 474
   1-2. 건강관리-적정수면(6~8시간) ............................................. 475
   1-3. 건강관리-규칙적 운동 .................................................. 476
   1-4. 건강관리-정기 건강검진 ................................................ 477
   2. 의료기관 민족도 .......................................................... 478
   3. 건강상태 ................................................................. 479
   4. 도시공원 민족도 ........................................................ 480
   5. 환경개선의 추구사항 ..................................................... 481
   6. 생활환경 저해요인 ..................................................... 481
   7-1. 환경오염방지 노력-쓰레기 분리배출 .................................... 483
   7-2. 환경오염방지 노력-음식물쓰레기 감축 .................................. 484
   7-3. 환경오염방지 노력-함성세제 사용 감축 .................................. 485
   7-4. 환경오염방지 노력-1회용품 사용 감축 .................................. 486
   7-5. 환경오염방지 노력-환경친화상품 구입 .................................. 487
   7-6. 환경오염방지 노력-환경 및 자연보호활동 참여 .......................... 488

Ⅶ) 문화 · 여가 ................................................................. 489
   1. 여가활용 방법 .......................................................... 489
   2. 전년도 여행경험 ........................................................ 490
   3. 전년도 여행일정 ......................................................... 491
